  - Every month your unused data (monthly and any bonus data that you receive as part of the Promotion) is added to your data bank (up to a maximum of 500GB stored at any one time). Any unused bonus data will be added to your data bank. If you switch to a lower plan, you will lose your banked data – but the good news is you can start saving your unused data again from that point on. See how data banking works [here](#).
  - For use in Australia, subject to [numobile Fair Go Policy](#). Data add-on purchases at rates set out in [Critical Information Summary](#).
  - Not to be used in conjunction with any other offer.
  - Subject to applicable law, numobile reserves the right to change or cancel the Promotion at any time in its discretion.
  - Not exchangeable or redeemable for cash.
  - Promotion Benefits may be withdrawn if payment fails at any stage.
